

SEASON 2016-2017 OPEN TRYOUTS

Bulls Soccer Club

“Never Settle for Less”

Tryouts for the Club’s Academy and Satellite programs are open for boys and girls of all ages. Players must tryout for the Academy program but may select the neighborhood Satellite program.

The Academy program is designed to develop players to play at the highest level. The Satellite program provides an opportunity to develop skills in a less competitive environment.

Arrive 15 minutes before your tryout to check-in at the Bulls Soccer Club tents. If unable to make the following dates/times, players may tryout at a team practice with prior notice. Questions? Email info@hscbulls.com or contact Registrar at admin@hscbulls.com or call (808) 780-4304.

----------------	---

Why Join the BULLS SOCCER CLUB?

Because we have the most successful Academy Program in Hawaii
"Never Settle for Less"

Proven Success:

- More local alumni successfully played and continue to play in the pros, including, among others, Mele French, Caprice Dydasco, Alli Lipsher, Kenji Treschuk, Duke Hashimoto, Brock Granger, Morgan Langley, David Gualderama, Brian Ching.
- Current national team camp invitees include True Dydasco, Caprice Dydasco, Kylie Minamishin, Sunshine Fontes, D'awncey "Kitty" Jones-Black, Naia Graham.
- For the past 18 years, an estimated 70%+ of our graduating Academy players were recruited and played soccer successfully in college; currently there are over 45 Bulls collegiate players.
- Only Hawaii club to have three players named US Youth Soccer All American.
- Only Hawaii club to win a national soccer championship – in both genders.
- Only Hawaii club to win Surf Cup – in both genders.
- More Hawaii Gatorade players of the year.
- At one time, five IVY league school team captains were Bulls players.
- Past players and coaches credit their Club experience for contributing to their success, on and off the field.
- Alumni at all levels (players, coaches, volunteers, board members) remain active in the Club.

Development Tenets:

- **Love of soccer** – a love of the game leads to improved skills and fitness.
- **Success through Education** – we teach the game.
- **Training** – more practices, games, fast footwork, goalkeeper training; challenging training opportunities – playing "up" and girls training with the boys; college recruitment counseling
- **Competition** – national and international competition is arranged for Academy teams; European event for both genders at U13.
- **Teamwork** – how to be a contributing team player is taught and modeled.
- **Professional conduct** – is expected.

The Bulls is a Hawaii "born and bred" nonprofit soccer club established in 1975, with strong national and international ties. Philip Neddo has led the Club as Director of Coaching (DOC) since 1998. DOC Neddo has coached national championship teams in a number of states, and national team players (from youth to the pros) in four countries – in both genders.
