President's Message

President Bush recently has asked Americans to contribute to society 4000 hours of community service in their lifetimes. We all have our causes; hopefully, 2002 will be a year of giving to the Bulls. The Club cannot function without volunteers and functions more smoothly with donors. If you are looking for something to do with your spare time (right), please consider some type of involvement with the Club. The Bulls is not just about soccer. The Club is about commitment, service, excellence in all aspects of life.

Opportunity is ample: a planned club fundraiser chicken sale, our awards banquet/potluck in June, the Keiki League (older players consider mentoring), HIC, ProXtreme. It is amazing what this club of 320 player/members can accomplish.

I would also like to encourage parents interested in the future of this excellent Club to consider service at the highest level. The Annual General Membership meeting is planned for June 1, 2002. Five seats on the Board of Directors will be available for election. I will be forming a nominating committee to look for those interested parties who choose to serve, so don't be surprised if someone approaches you at practice or games to see if you are willing and able. Our Board is very active with issues such as fees, Oahu League activities, special events, and fundraising, to name a few. We face many challenges and appreciate your efforts and support meeting them.

One last thing, a very big MAHALO to Violet Anderson for making the ProXtreme so successful. Purely by accident her name was omitted from the last newsletter. Those involved knew she was the catalyst. Everyone else should also know of her service to the Club!

Good luck to all teams participating in the Tide Cup this month!

**KEIKI BULLS
RECREATION
LEAGUE**

The recreation league has been a wonderful success as evident by the kids participating and the fun they are having each week. There are 31 kids signed up. Each received two t-shirts, red and white. The league has

reached its half way point of 8 weeks of games. The sessions have been lead by J.P. and Jose with lots of support from staff coaches as well as other club coaches, especially from the U9 age group. Friday nights at Kapolono are filled with cheering, excitement, lots of goals and a little mud. Refreshments have been provided by Candy Smiley. Every participant will receive a participation medals and a soccer ball. We encourage more older players and other club coaches to take an afternoon or Friday evening to come down and spend some fun time with the Keiki participants.

Bulls parents, Quintin and Michele Bray and Suzanne Shomaker came to the aid of an AYSO coach who was experiencing a heart attack during a Wednesday practice in January. Quintin reports that the coach was transported by ambulance to Kaiser but has since been moved to Queens and faces a lengthy recovery. Mahalo to our good Samaritans!

All of us get knocked down, but it's resiliency that really matters. All of us do well when things are going well, but the thing that distinguishes athletes is the ability to do well in times of great stress, urgency and pressure.
