Message from the President

Last month I made reference to the fact that our Club is innovative. Here's just one more reason why we are unique: two weeks back, our Club held its first annual 3v3 tournament at Waipio Soccer Complex. Thanks to some sponsorship by ProService Hawaii and some very generous donations, all participants walked away with a special prize. The games were fast and furious with high scores, pleasing players and fans alike. The coaching staff of Jose Dydasco, Luke Baer, Kenji Treschuk and Kerry Miike, and the volunteers who set up the smart looking fields and signage, did a fantastic job to create another fun-filled day of soccer for the Bulls.

Prizes included Adidas backpacks and balls, caps and hackysacs; and Brian Ching provided several autographed Houston Dynamo T-shirts for some lucky winners.

In spite of the oppressive heat and the one day without wind, even the parents I talked too seemed thrilled with the energy created by the event and the action-packed small sided games.

This initial tournament was kept within the Club, but look to the future for more of these action packed days for the whole soccer community.

On another note, we have over 135 campers registered for the Pro-Xtreme Holiday Soccer Camp and we are well on our way to our goal of 200. We are still looking for donations of activities for the visiting professionals. It would be great to offer them some fun things to do while they are here, such as golf, whale watching, dinners or spa sessions. If anyone has contacts in these activities and is willing to approach them for donations, please make that contact and then contact me at kperske@hawaiiantel.net. Thanks again for your help and support.

The Board of Directors of the Honolulu Bulls Soccer Club wishes all of you a happy and festive holiday season. Be safe. See you out at the fields!

Happy 10th Anniversary!

By Ken Perske

Early in November, the Men’s Island Soccer Organization (MISO) celebrated its 10th anniversary with a party at Ocean’s in Restaurant Row. The Men’s league has grown in numbers and quality under the guidance of Sergio Bolioli, and the HSC Bulls teams have been proud members for the past 6 years.

The Bulls helped bring in from the mainland one of the founders of MISO to lead the festivities - a gentleman by the name of Matt Bishop. Matt is currently with the United Soccer Leagues Seattle Sounders and he did a great job emceeing the program.

Coach Phil and Crew,

Thanks for the chance to participate in the MISO celebration. It is a huge honor for me to be recognized as a part of the league. Thanks to all of you who helped make this trip something special while I was on island. The Bulls stand clearly above any of the teams that I’ve run across in my travels inside and outside of the islands.

*Thanks again,
Matt Bishop*
