Message from the President

Pro-Xtreme:

We're Back! Thanks to Bulls' alumnus Ashlee Kuske (Doi), the newsletter is back up and running. Hopefully, you will find the BULLETIN informative and entertaining; and if you have any ideas for future topics, please let us know by emailing us at ashleekuske@gmail.com.

The Club's major priority, of course, is to develop the players through the beautiful game. But we do much more than that, with camps, community service (Kapiolani Park Clean Up and Children and Youth Day participation), educational opportunities (college seminars) and tournaments. Our next major Club event will be the 12th Annual ProXtreme Holiday Soccer Camp from December 26-30. For those who are new to the Club (welcome, by the way), this is a fun 4 days of learning soccer skills from professionals in the sport. Our headline pro is Brian Ching of MLS' Houston Dynamo and the US Men's National team. Joining him this year will be Clint Mathis (Real Salt Lake), Kenji Treschuk (Charleston Battery), Mele French (WPS Inaugural champion Sky Blue) and Allison

Lipsher (Boston Breakers). The staff is negotiating with others to participate in the camp; and they will be announced when finalized. Previous participants include John Harkes, Josh Wolff, Jonathan Bornstein, Hope Solo, Lorrie Fair and Tiffany Roberts; all of whom played for the United States!

The ProXtreme Camp is open to any soccer player, not just a Bulls member, so let your friends know about the camp. The camp is designed for 5-14 year old boys and girls; and no soccer experience is necessary. Go to www.hawaiisoccercamps.com to find out more about the camp and to register on-line. If you have any questions, call Ashlee at (808) 561-4663.

We always need help with this camp. I know, you are thinking what else is new....

Our two priorities are participants and donations. We want to get 200 or more players out there this year. You can help by getting the word out to all of your friends with children interested in soccer. Direct them to the website. Let opposing teams know. We will be getting flyers printed and maybe you can distribute some at work or after matches. Any help with marketing that will not cost an arm and a leg would be appreciated. Again, this is not just for Bulls players as some people think. If your children also play AYSO, let those teams know about the camp. We do put signs up and distribute flyers to schools and some businesses; but word of mouth is the best way to promote the camp.

We also are looking for donations for the camp. These professionals love to come to Hawaii and have a good and relaxing time after their long

Heads Up Highlights

11/14: Tryouts for U-12 and below
11/27-11/29: 4v4 Tournament
11/27-11/29: Hawaii Rush Thanksgiving Tournament
11/27-11/29: Surf College Cup-U19 Boys and Girls Accepted
12/26-12/29: Pro-Xtreme Soccer Camp

season. They also come along for just the price of air travel and hotel accommodations. This is a far cry from what they can earn with similar camps on the mainland. They do it because they admire and respect the Club and staff; and because they can become little kids themselves for a few days. We like to show them a good time here and are looking for donations to make this possible.

Here is our typical wish list:

- Rounds of golf
- Spa sessions
- Dinners out
- Extra Vehicles for Pros to use
- Surf lessons if any are interested
- Bottled water or Gatorade for the Camp Staff
- Food for the dinner after the alumni match (12/28)
- Catamaran rides

If you can help in any way, or know of someone who would want to sponsor any of the above items, contact us through your team manager.

The ProXtreme takes much work to pull off, but it is a terrific way to end the holiday season and we hope to see you there!

Children and Youth Day

By Derick Kato

The 16th Annual Children and Youth Day is on Sunday, October 4, 2009 at the State Capitol from 10am-3pm. This is a one-day event that features fun games, educational experiences, hands-on activities, demonstrations, and much more for Hawaii's children and youth. Last year, over 35,000 children, youth and family members were in attendance! This year they expect that number to increase. For the past several years, we have put our inflatable fields and speed cage at this event as a way to bring soccer to the children of Hawaii, publicize our club, and for us to give back to the community. We will have our fields set up on two locations. Our main "soccer stadium" and speed cage will be set on the Diamond Head side of the capitol lawn. The second field will be set up behind the Mission Memorial Auditorium.

Georgia On My Mind

By Ken Perske

Many of you may not be aware of the fact that we have a mainland affiliate club in Georgia and South Carolina, the GA-SC Bulls. Actually, three clubs in the area merged to form one Club, now known as the GA-SC Bulls. Many of the players have already guest played with our teams in California for various tournaments. The merger happened over a year ago because former Bulls staff, now working with these teams, convinced them of our mission as being what they want for their children and Club.

I recently had the opportunity to visit the GA-SC Bulls as they hosted the Aiken Cup, an annual tournament with over 130 teams from all over the Southeast from Georgia to North Carolina. The tournament utilizes 3 beautiful polo fields in close proximity to each other; and these fields are immaculate.

I had the pleasure of meeting several Board members and Club President, Eric Gladman. I also met with the

Club registrar, treasurer, many of the staff coaches, parents and players. From the highest level of administration, to the youngest teams with players wearing pinnies down to their

cleats, it was evident that they have embraced the Club mission statement, teaching philosophy and Bulls identity to the fullest. What a sight it was to see three polo fields filled with teams wearing the red and black, competing at a high level, with some pretty good success. They

certainly have some growing to do, as we had to do over the years.

They are already well down the road to success; and I am sure with the leadership they have in place, success will come soon.

My special thanks to Tara Bostwick for her hospitality and southern charm as she opened her house to me and my family during our 3 day stay in Aiken, South Carolina. If any of you

are in the Southeast, be sure to check out this quaint town. On the other hand, maybe you shouldn't. You may not want to come back to Hawaii.

Kenji Treschuk News

In February 2009, Kenji Treschuk moved to Charleston Battery of the USL First Division from the USL Seattle Sounders. Charleston finished the season 4th out of 11 teams going into playoffs. The former Bulls midfielder played in 26 games of the 36-game season. Battery began a two game playoff series against Montreal Impact during the end of September. Unfortunately, Charleston lost and ended their season with a record of 16-8-12 in all competitions: 14-5-11 in league play, 2-0-1 in U.S. Open Cup play, and 0-2 in the post season.
