"Most importantly everyone went home with a prize," said Coach Jose Dydasco, who ran and organized the event. "We look forward to next year's event and hope it will be bigger and better!" he added. We would like to thank everyone who participated and helped. We hope everyone had a great time.

## The Season Of Giving

As we all know, soccer extends well beyond the boundaries of the field and manages to touch the lives of people around the world--some who are less fortunate than others. Coupled with Soccer.com, we have gathered and prepared equipment and apparel to be donated to soccer players around the world who could benefit from our generosity. We do, however, need your help funding the donation.

Please visit the Bulls Soccer Club page at Guidestar USA or click the link below and make a donation in honor of The Season Of Giving. All donations are welcome and everything helps. We hope you find it in your heart to help others during this holiday season.
